

VACANCY – LABOURER

Applications are invited from interested and suitably qualified individuals for the position of **Labourer, FortisTCI**, Providenciales, TCI.

Description

To provide general labour in support of the work of general site service housekeeping and orderliness, under the general direction of the Facilities Management Manager.

Under the direction of the assigned team leader on a job, the Facilities Management Labourer must assist in installation and maintenance duties assigned in a sound technical manner, to ensure reliable operation and functionality of equipment as per design specifications.

Main Duties & Responsibilities

- Assist in the daily up keeping of the plant facilities as directed by the team leader.
- Assist in daily servicing of plant facilities as directed by the team leader.
- Ensure that the plant site is kept in a clean and neat manner at all times.
- Assist the cleaning of trenches and other plant support infrastructure as directed.
- Ensure compliance to the company's safety policy and procedures and consistent and proper use of personal protective equipment (PPE's) when on the plant site and during the execution of work duties.
- Ensure familiarity and full compliance with the company's environmental commitment and policy at all times during the execution of daily work activities, with particular emphasis to fuel and lube oil spill prevention.
- Report any equipment abnormalities or defects observed during the course of plant housekeeping activities.
- Operate company vehicles as required in a manner consistent with company policy and TCI traffic regulations.
- Operate small tools as may be directed.
- Attend and actively participate in all training and development programs stated as requirements by the company and ensure satisfactory achievement outcome.
- Be properly and neatly attired in the uniform provided and ensure consistent and appropriate use of all personal protective equipment (PPEs) provided when on plant compound or in the execution of assigned duties.
- Respond promptly when called by the Facilities Management Manager in response to emergencies that may arise outside of regular working hours.
- Be available to respond to emergencies at all times outside of regular working hours, as may be required by plant contingency.
- Follow Supervisors directive and be diligent in correctly executing daily plant site and equipment clean up duties.
- Perform other duties as may be assigned and/or required by Plant Operations contingencies from time to time.

Academic/Technical/Management Experience & Qualifications:

- Associate's degree in a related field or a two –year post-secondary program in construction trades.
- Must have at least 5 years of experience in general facilities repairs and maintenance
- Be familiar with and qualified to operate plant machinery such as forklifts.
- As the language of work is English, competence in verbal and written English is required.
- Competency in written and oral communication skills in English.
- Self-motivated solution oriented and positive in outlook.
- Team Player

Salary commensurate with experience and qualifications.

Deadline for submission of applications is January 30, 2023.
